

TOWN OF CLARENDON.

SCHOOL DIRECTORS' REPORT.

On March 5th, 1898, the Board of School Directors met and organized, by electing J. J. Brown chairman, and J. H. Davis clerk, to serve for the ensuing year.

On March 30th appointed Leonard Stewart Superintendent of schools.

In the spring of 1898, it was decided by the Board not to maintain a school in the Benson District as there were only three scholars registered in the previous term and a probability of only two for the coming term.

In all other districts in town, schools have been maintained as usual with the addition of a second school at Chippenhook, for the winter term.

The following orders have been drawn to pay balance of expense for school year ending March 31st, 1898.

REPORT OF TOWN AGENT.

The Mead pauper case is still with the Supreme Court, and with the prospect of a decision adverse to the town. In the trial of this case facts became known which the town has subsequently taken advantage of, and, acting in accordance with, has resulted in the getting rid of three paupers and the probability of the removal of another.
